**7. Republic of Ireland collection process:** Clubs can deliver collection bags to their local post office at any point up to 31.10.13. Once a club wants to drop off their bag, they notify the promoter by email on [clubcrusade@gmail.com](mailto:clubcrusade@gmail.com) and the promoter will send them a pre-paid postage label for each bag (the promoter will cover the cost of 2 bags per club during the entire promotion). If a club wishes to deliver additional bags they must organise their delivery and cover the postage cost themselves. Clubs download a form from the website, fill it in including their unique club reference code and the number of caps in the bag and place securely in the bag. It is the club's responsibility to ensure that the bags are left securely with the post office and a signed record kept of the delivery details between individual clubs and An Post. The promoter is not responsible for any misplaced/lost bags.

**8. Northern Ireland collection process:** Clubs within Northern Ireland will have their bags collected from their premises at any point up to 31.10.13. Once a club wants their bag collected, they notify the promoter by email on [clubcrusade@gmail.com](mailto:clubcrusade@gmail.com) and the promoter will send them a confirmed consignment number by email (the promoter will cover the cost of 2 bags per club during the entire promotion). If a club wishes to deliver additional bags they must organise their own delivery and cover the postage cost themselves. Clubs download a form from the website, fill it in including their unique club reference code and the number of caps in the bag and place securely in the bag. It is the club's responsibility to ensure that the consignment number is clearly marked on the bags being collected and that this matches to the consignment number of the courier. The promoter is not responsible for any misplaced/lost bags.

**9.** Caps will only be accepted in official Lucozade Sport Collection bags (delivered on registration and can be ordered by email if additional bags are required at [clubcrusade@gmail.com](mailto:clubcrusade@gmail.com)) with the club's unique reference code clearly written on each bag. **10.** The promoter's fulfilment house plus an independent auditor will count the bottle caps and the registered Sports Clubs will be contacted by email within two weeks of receiving the caps with their verified caps total and a unique voucher code (that corresponds to number of caps collected). Voucher codes have no cash value and cannot be exchanged for cash. Voucher codes cannot be used in part payment for equipment at a higher "cap price" than the participant holds. The number of caps confirmed by the fulfilment house is final and no correspondence will be entered into in this regard. **11.** The club can then log onto [www.lucozadesport.ie](http://www.lucozadesport.ie) to redeem their prize by 31.03.14. The club can choose the rewards they want based on the cap value they have. Clubs must spend all their voucher code in one transaction. Once they checkout any surplus 'cap' values will be forfeited and cannot be used as part exchange in any subsequent transactions. **12.** If a club wishes to purchase additional kit from Azzurri they can do so at their own expense directly with Azzurri. For the avoidance of doubt, any additional kit shall be treated as a separate order and will not form part of the Lucozade Sport Kit redemption. **13.** Rewards will be dispatched from Azzurri within 40 days from date of final order being submitted. **14.** Participation in the promotion is acceptance of the terms and conditions. The Promoter (GSK) accepts no responsibility for lost, stolen, damaged, late, incomplete, incorrectly submitted, indecipherable, corrupted or misdirected entries. **15.** Acceptance of the entry shall be construed as and signify the Clubs' agreement and consent that the promoter may use the sports clubs and/or order information, without limitation, for promotional purposes without further consideration, review, approval or payment, where allowed by law. **16.** No substitutions or transfer of reward permitted. Neither the promoter, its subsidiaries, affiliates, agencies will have any liability whatsoever for any injuries, losses or damages of any kind caused by any reward or resulting from acceptance, possession, use and/or misuse of any reward or participation in the promotion or any reward-related activities. **17.** By participating in this promotion, entrants agree to be bound by the Official Rules and the decisions of the Promoter, which are final and binding in all respects. The Promoter's decision is final and no correspondence will be entered into. Club details will be featured on the website. Clubs entered into the competition will receive further correspondence via email for the duration of the competition. **18.** The promoter reserves the right to: offer a substitute reward of equal or greater value to the current offer; amend these terms and conditions; or terminate the promotion at any time. **19.** To the fullest extent permitted by law, the promoter shall not be held liable to the entrants for any loss or damage howsoever caused, whether in contract, tort (including without limitation negligence, fraud or malicious act), statutory or otherwise, arising out of or in connection with the reward and/or promotion.
